They say women cook.  
They roast, bake and fry.  
Of all these, they say,  
A woman loves baking the most.

Baking is the process of creation  
The oven is the womb, places of creation  
Bread and cake heat is timed  
Checked from time to time.

Without oven  
Or disturbing it in any way  
Till time is ripe  
Gentile expectations are at hand.

And a new warm baked bread or cake  
If delivered gently, by hands.

To beautifully laid plate like

The birth of a baby is laid in a cradle
