SECTION B

51. Read the passage below carefully and answer the questions that follow in full sentences.
Gerald is a thirteen year old boy at Lingby Junior School in Kampala. He has an uncle working in Mbarara. During the first term holidays, his father decided to take him to Mbarara to spend the holidays with his uncle who lives in Kakoba near the town.

During his conversation with his uncle, he told him that he liked the journey because his father, Vicent was driving very fast especially from Kampala to Mbarara. He told his uncle that on their way to Mbarara, they helped a man who was involved in an accident on the main road as he was trying to cross. He was knocked down by a speeding car of the Mayor when it lost control and hit him at the crossroads. This was at the junction

near the round about going to Ishaka. He fell on the side path, lay flat on the ground and terribly started bleeding. His father stopped the car and gave him first aid. Vicent, his father was scared and called the traffic police. The traffic officers came and measured that place where the accident had occurred. They reported that the driver was careless and that he did not know the Highway codes. He failed to follow the road signs. They requested my father to take the casualty to Mbarara referral Hospital. From the hospital my father drove carefully and said that "No man is an island," so we should help one another
