In his absence, the class captain controlled the class and encouraged everybody to revise his or her books, as they wait for the arrival of their classteacher.

The whole class caught fire, all children stood up and clapped their hands laughing like weaver birds in the forest. Molly and Bonny started drumming the desks until the noise reached the headteacher in his office. Mr. Hillary the headteacher came, silence broke in class because all the stubborn pupils were taken to the headteacher's office.

53. Read the poem below and then answer in full sentences the questions that follow.

I am hated by all road users
The motorists, motorcyclists and cyclists
Plus the traffic officers, just for delaying them
Forgetting that they are the root causers.

I am an enemy to all road users
Bad road users cause a lot of accidents
As they knock one another
And the blame is on me.

I am there always whether morning, afternoon, evening
I am also a problem to all people more especially the rich
As they grow rich, they buy many cars
And make me wide and long
Spare me, please.

Traffic officers think and think
Roads are made wider and bigger
More road signs are installed
But road users have failed to avail with me
Especially time to report at work.

Anita P.5.
