KAKAJJO VILLAGE

P.O. BOX 340

KAMPALA

13TH November, 2016

Dear Elijah,

I am delighted to write to you. How are you nowadays? How are your studies? How is Mpoma Primary School? Let me hope all is well.

My brother, I have written this letter to inform you about the tour we had in 2016. It was educational tour because we learnt a number of things.

During the tour, we visited a number of places which include, the source of the Nile, breweries, Nyanza textile industry and Mabira forest.

Most of these places are found in Jinja district apart from Mabira forest which is found in Bulikwe district. At Nile breweries we saw machines which were working and cooperating like human beings. These machines surprised us by washing bottles, filling them with alcohol, placing bottle tops on them and finally packing them in crates.

The source of the Nile was also another tourist attraction which we watched for more than ten minutes without blinking. We all wondered how God created this water to flow to the same direction without any complaint.

My brother, I will narrate the whole story to you when we meet during the holidays.

Please, send my greetings to your classmates and your friend Henry. I wish you the best in your end of term examinations.

**Your loving brother,
Kisakye Elaijah**

Music Music Music

You are a source of happiness,

To both young and old,

You take away our worries,

Whenever we listen to you.

Music Music Music,

You are like delicious food to us,

This is because you don't miss at every ceremony,

You are always present,

To enable us twist our waists.

Music Music Music

Many people earn a living from you,

These are musicians; dancers, promoters.

They are driving expensive cars.

Building mansions because of the lots of money they earn from you, Music.

Music Music Music
 We appreciate the educative information,
 You give us through your beautiful songs,
 However, we request you to stop some singers,
 Who use you to abuse others,
 Because our future lies in your hands.
