|   |                                     | ELLANDA<br>ELLANDA   |             |
| Read the following instructions carefully;  | -                                   | 150  |             |
| The paper has two Sections: A and B.  | _                                   |  |             |
| 2. Section A has 40 short questions (40 marks).   |                                     | EXAMIN<br>USE COL  |             |
| 3. Section B has 15 questions ( 60 marks ).   | Qu. Ne                              | Missall 1  | SICK        |
| <ol> <li>Attempt ALL questions. All answers to both Sections A<br/>and B must be written in the spaces provided.</li> </ol> | 1 - 20                              |  |             |
| 5. All answers must be written using blue or black ball-point   |                                     |  |             |
| pen or ink. Only diagrams and graphs work may be done in pencil.  | 25 - 34                             |  |             |
|   | 32-41                               | 1 186  |             |
| Unnecessary alteration of work will lead to loss of marks.  | 4-6                                 |  |             |
| <ol> <li>Any handwriting that cannot easily be read may lead to<br/>loss of marks.</li> </ol>                               | 44 - 46                             |  |             |
| 8. Do not fill anything in the boxes indicated for examiners'   | C-0                                 |  |             |
| use only.   | 50 - 52                             |  |             |
|   | 53-55                               |  |             |
|   | TOTAL                               | The same   |             |

## SECTION A

| 4.<br>// | Name the World organisation that unites former colonies of Britain.                              |
|----------|--|
|          |  |
|          | What term is used to mean the action of planting many trees in an area?                          |
| 3.       | Mention the occasion at which the headteacher address  |
|          | addresses all learners at ago.   |
| 4.       | What does "population distribution" many   |
|          | No   |
| _        | N.T.   |
| 3.       | Name one group of people who provide medical services in a district.                             |
|          |  |
| J.       | Why is "Gender balance" among pupils in Uganda promoted today?                                   |
| 7.       | Cite the most suitable   |
|          | Cite the most suitable means of transport a trader can use to move cars from Mombasa to Kampala. |
|          |  |
| 8.       | Why is it important for a child to carry out his or her responsibilities?                        |
| 9.       | How did the formation of EAC in 1967 promote women in the East African region?                   |
|          |  |
| 10       | D. Write one problem faced in the Gezira Irrigation Scheme.                                      |
| 1        | 1. Give any social problem to the economic development of East Africa.                           |
|          | <u></u>  |
| 1        | 2. Write one major role of a class captain or class leader.                                      |
| 1:       | State one way through which a natural forest helps a carpenter to make special familiate.        |
|          |  |
| 14       | Name the title given to a person whose major role is to help children to cross a rola.           |
| 15.      | Why is "trespass" a cause of problems between a school and its neighbourhood?                    |
| 16.      | Name the type of government that ruled Uganda between 1971 and 1979.                             |
|          | G . W. form the OAU  |
| 17.      | Write one major factor that helped the heads of state to finally form the OAU.                   |
|          |  |
|          | TURNO  |

| 18. How did the landscape of Ethiopia prever                               | the field being colonized?  |
|--|---|
| 19. Write one reason why people from difference 20. Akello's back was 6    |   |
| why people from differe  | ent districts in TI   |
| 20 A1  | Uganda should co-operate.   |
| 20. Akello's back was facing the North                                     | ***************************************   |
| 20. Akello's back was facing the North East. S. What is her new direction? | She then turned 225° clockwise.   |
|  |   |
|  |   |
| 21. Why is mountain Rwenzori and   |   |
| 21. Why is mountain Rwenzori called a 'range                               | ?'?   |
|  | pi (1 mp.) (1 mp.) (2 mp.)  |
| 22. Cape Verde and Madagascar are African co                               |   |
| meir location?   | ountries. In which way are they similar in  |
|  | and summar in   |
| 23. Write down on  |   |
| 23. Write down any one symbol of the present                               | East African Communication  |
|  | Community.  |
| 4. State the major reason why Clair China                                  |   |
| 24. State the major reason why Chief Awic of Pay                           | yera refused to sign a treaty with the British  |
|  | with the Bittish.   |
| 25. In which one way is a constitution related to                          | Pelections  |
|  |   |
|  |   |
| ***************************************                                    |   |
| 6. Who founded the United Gold Coast Conve                                 | ction (UGCC) in Ghana?  |
|  |   |
| 7. Write one kingdom in Haganda that I                                     |   |
| 7. Write one kingdom in Uganda that develope                               | ed out of the Bunyoro-Kitara Empire.  |
|  |   |
| B. Mention one way in which human activities                               | are a problem to the fishing industry   |
|  |   |
|  |   |
| . Why do giraffes prefer to live in a zone with                            | fairly tall vegetation?   |
|  |   |
|  | ****  |
| Name the natural resource in East Africa on                                | which other resources are found.  |
|  |   |
| What is the difference between relief and cor                              | westional types of rainfall?  |
| What is the difference between tener and cor                               | rvectional types of familian?   |
|  |   |
|  |   |
|  |   |
| Why were the camels the most suitable means                                | of transport for the Trans-Saharan traders?   |
|  | received the first terms of the |
|  | Car Night and Carlotte  |
| What is the use of a title to a map reader?                                |   |
|  | P.7 SST End of 1st Term 2024 TURN OVER  |
|  |   |

| For each question 36 to 40, answer Either Christianity Or Islam But Not Both. No marks will be awarded to a candidate who attempts both alternatives.  36. Either: State the title given to the leader of the Roman Catholic Church in the world.  Or: State the title of the head of the Uganda Muslim Supreme Council.  37.
